

Clarence F. Stephens Hall

The Clarence F. Stephens Hall opened in 1981. The four story air-conditioned residence hall houses 168 students in double occupancy and private rooms for first year students. The facility offers a TV viewing lounge, a study lounge, laundry facilities, a computer lab, wireless internet, offices and counselor's quarters.

Clarence F. Stephens was a native of Newell, AL. He, along with two brothers and two sisters, received B.S. Degrees from Alabama A&M University. Stephens was a very bright student who majored in mathematics and minored in chemistry. He also was enrolled in advanced studies at AAMU; he graduated in 1970.
