

## Thomas V. Morris Hall

Mr. Thomas V. Morris who was born in Eufuala, Alabama, came to Alabama A&M College as a freshman in September 1942. His early schooling was from the Barbour County Training School. Pursuing a curriculum in agriculture, he graduated in 1946 with honors and went on to receive a Master's Degree in Horticulture at Michigan State University.

Morris Hall is an all-male residential hall for first-time students. The building is four stories and houses 168 men in air-conditioned, double-occupancy rooms. The building offers a television and study lounge, computer lab, laundry room, administrative offices, community bathroom with individual shower stalls, and internet access.
